Ramchandra Timilsina

Mathematics Lecturer
Department of Applied Science
Everest Engineering College
Lalitpur-02, Nepal

Call: +977-9846739688
Email: timilsinarc07@gmail.com

EDUCATION

2019 – 2023	**Tribhuvan University, Central Department of Mathematics** *M.Sc in Mathematics* , (*Score:* 3.96/4)
2020	**Tribhuvan University, Sanothimi Campus** *One year B.Ed in Supervision* , (*Score:* 53%)
2015 – 2019	**Tribhuvan University, Prithvi Narayan Campus** *B.Sc in Mathematics* , (*Score:* 70.05%)
2012–2014	**Higher Secondary Education Board, Rastriya HSS** $10+2$ *in Science* , (*Score:* 61.70%)
2012	**Nepal SLC Board, Shree Mahendra HSS** *School Leaving Certificate (SLC)* , (*Score:* 71.13%)

RESEARCH

1. **"Optimization of Evacuation Network under the Network Disruption",** a dissertation submitted in partial fulfillment of the requirements for the degree of Master of Science under the supervision of Prof. Dr. Tanka Nath Dhamala, Central Department of Mathematics (CDM), Tribhuvan University (TU).

GRANTS

1. **"KHYS Aspirant Grant",** awarded by the Karlsruhe House of Young Scientists (KHYS), KIT, Germany (2024).
2. **"KCRE Excellent Student Thesis Grant-07092022",** awarded by the Kathmandu Center for Research and Education (2022).

AWARDS

1. **"NMS Fellowship-2023",** awarded by the Nepal Mathematical Society, Kathmandu (CDM-TU Topper).
2. **"NMS Fellowship-2022",** awarded by the Nepal Mathematical Society, Kathmandu (CDM-TU Topper).
3. **"Lahure Swargiya Harilal Scholarship-2068 BS",** awarded by Shree Mahendra Higher Secondary School, Lahachowk, Kaski (SLC-2068 School Topper).

TEACHING

1. **Everest Engineering College (2023-Present)**
    - Calculus I (MTH 110): (F26, F24, F23)
    - Calculus II (MTH 210): (F26, F24, F23)
    - Algebra and Geometry (MTH 150): (S24, S23)
    - Applied Mathematics (MTH 250): (S25)
    - Numerical Methods (MTH 230): (S24)
    - Probability & Statistics (MTH 216)
2. **Kathmandu University (2026)**
    - Differential Equation and Complex Variables (MATH 207): (S26)
    - Business Mathematics II (MAS 205): (S26)

INTERNATIONAL ACADEMIC & RESEARCH VISITS

1. **University of Hamburg (UHH)**, Germany
   Graduate coursework in optimization and data analysis (May 2025 – May 2026).
2. **Karlsruhe Institute of Technology (KIT)**, Germany
   One-month research visit with the **Discrete Optimization and Logistics Group**, at the invitation of Prof. Dr. Stefan Nickel (Nov 01 – 29, 2024).

RESEARCH WORKSHOPS & SEMINARS

1. Presentation: **"International Conference on Civil Engineering Innovations & Sustainable Development 2026 (CEISD-2026)",** organized by the Department of Civil Engineering, Everest Engineering College, Sanepa, Lalitpur, Nepal (April 26, 2026).
   Title: "Optimization of Evacuation Network under the Network Disruption."
2. Participation: **"Seminar/Workshop on Operations Research in Health Care: Modeling & Implementation in Python",** jointly organized by the Central Department of Mathematics, Tribhuvan University, Nepal, and the Karlsruhe Institute of Technology, Germany, supported by the Alexander von Humboldt Foundation (March 24 – April 03, 2025).
3. Participation: **"AESIM School-2024",** on Differential Equations, Numerical Methods and Their Applications with Scientific Computing, organized by the Central Department of Mathematics, Tribhuvan University, Nepal, and supported by CIMPA (June 12 – 23, 2024).
4. Participation: **"Five-Day Workshop on Scientific Computing in Python",** jointly organized by the Mathematical Biology Research Center (MBRC), Nepal, and the Central Department of Mathematics, Tribhuvan University, Nepal (June 04 – 08, 2024).

5. Participation: **"CIMPA Summer School in Data Visualization, Modeling, and Mathematical Tools",** Central Department of Mathematics, Tribhuvan University, Kathmandu, Nepal (May 15 – 24, 2023).
6. Participation: **"International Workshop on Computational Mathematics (IWCM-2023)",** jointly organized by the Central Department of Mathematics, Tribhuvan University, Nepal, and South Asian University, India (March 11 – 13, 2023).
7. Participation: **"A Three Day Workshop on Numerical Linear Algebra, Modeling and Simulation of Evolution Equations",** jointly organized by the Central Department of Mathematics, Tribhuvan University, Nepal, and TU Kaiserslautern, Germany (October 17 – 19, 2022).
8. Presentation: **"3rd Seminar cum Workshop on Mathematics and Its Applications - 2079",** Central Department of Mathematics, Tribhuvan University, Nepal (August 28, 2022).
   Title: "Optimization Technique to Reroute the Evacuation Network in Real Time."
9. Participation: **"Summer School on Astronomy and Space Science-2018",** organized by the Nepal Astronomical Society (NASO), Kathmandu, Nepal (July 01 – 06, 2018).

SKILLS

Languages:	Nepali (Native), English (Professional), Deutsch (A1), Hindi (Intermediate)
Programming:	Python (Optimization and data analysis), R (Data analysis and modeling), MATLAB (Numerical methods), C (Basic)
Software & Tools:	LaTeX, MS Office, IBM ILOG CPLEX
Teaching:	University Mathematics

SUPPORTING DOCUMENTS

1. Academic Certification & Transcripts (Access Required)
2. Grants
3. Honors & Awards
4. Workshops & Seminars Certificates
